The Family's Business '25

Aug 1&2  Fort Lauderdale, FL

OFFICIAL WELCOME

Greetings,

Welcome to The Family's Business Conference 2025! What a joy it is to gather in one place, with one purpose: healing one family at a time.

This is more than a conference—it is a divine appointment. It's a safe space for truth, transparency, and transformation. Each session, speaker, and activity has been prayerfully designed with your family's wholeness in mind. Whether you came seeking restoration, clarity, encouragement, or simply a moment to breathe—you're in the right place.

The wounds we don't talk about are often the ones that linger the longest. But healing begins where honesty is embraced, where generations can sit together—parents and children, husbands and wives, siblings and leaders—and listen, learn, and love again. We believe in the power of the family nucleus. We believe that when even one heart is mended, a legacy is shifted. Over these next two days, lean in. Ask the hard questions. Let the tears fall. Laugh loud. Forgive freely. Hug tightly. This space is sacred, and you are seen.

Thank you for trusting us with your journey. Thank you for showing up not only for yourself—but for your bloodline. This movement is for you, through you, and because of you.

With love, purpose, and expectancy,

Prophetess Bridget E. Pritchard
